in2it groups

Who doesn't like to have fun? We all need to do things that bring us life and joy, and when we invite others in on PLAY, it grows relationships that might not have existed before. In2It Groups help us connect with others who have similar interests and intentionally find ways to include our friends and neighbors as we PLAY.

euchre group

This group will meet up once a month to play euchre together.
Bring your favorite snack and a partner, if you have one, or come on your own!
