[Sample Affirming Note Card for Joan]

Joan, you are a treasure to God! It was an honor to watch as you became free from the strongholds of fear and the lie that you're not worthy. You are strong and courageous in Jesus! You are the loved daughter of your Creator. Your value cannot be measured in His sight. We found out that you're gifted through the Holy Spirit with organization, compassion, and service. With those gifts, and your passion for the homeless, you'll be ministering to people on the streets providing both spiritual care and physical resources. We'll continue to pray for you and will be here to support and encourage you with this ministry.

[Sample Affirming Note Card for Steve]

Steve,

It has been amazing to watch you discover your identity in Christ for the first time. I was honored to pray with you to receive Jesus as your Savior! Then our group supported you as you denounced sinful habits in your life and changed your lifestyle to one that honors God. It was so difficult, but the Holy Spirit guided you and helped you make those changes! Our group will be here for you in the days ahead. We want to continue to support you and provide encouragement whenever you need it. During Rooted, we also found out that God has called you to minister to people who are in recovery. God will be with you now as you move into this ministry.
