As you pray about how God is asking you to give during this time, allow this chart to give you some guidance as you move toward greater generosity for God's kingdom while we go all in together!

Additionally, we'd love to help you discover where God is calling you to use your time and talents. We highly encourage you to talk with your small group leaders and student pastors to help identify some good next steps for you in this area.

MIN!

TWO-YEAR COMMITMENT CARD

All In is a two-year generosity initiative to help us grow spiritually and participate in God's Kingdom. We are asking students to invest in unprecedented ways as we step out in faith and join God's movement at 2|42!

MINISTRY

Our general ministry fund is anything but general!

We are helping people take next steps with God week-in and week-out through weekend worship services, Kids, Students, Groups, and Teams, and through the use of our facilities and community centers.

MOVEMENT

God is bringing a Holy Spirit-driven movement to 2|42 that looks like:

- Prioritizing kids
- Mobilizing disciple-makers
- Planting churches
- Launching leaders

To do this, we will need to expand our financial capacity and grow in our ability to be involved in Kingdom Work. Through strategic discipleship opportunities, our goal is to see students become Kingdom Workers, and be *all in* for what God has in store.
